Thank you for the hard work and time you have put in to further advance in your sport and for being good ambassadors for Team Sask. Thank you to the Coaches, Managers, and all other team staff for the work they have put in as well; these athletes could not have done it without you. We would also like to thank the host community and its volunteers for all the time that they have put in to ensure that each team has the best possible experience. Thank you to the parents and spectators for being loud and supportive at the games, and providing us with pictures!
